

Request for Sponsorship: Golfing for the Game, Supporting Hockey, One Hole at a Time.

The Greater Vernon Minor Hockey Association is excited to announce the first annual GVMHA Golf Tournament: Golfing for the Game, Supporting Hockey, One Hole at a Time. **This event will take place on May 23rd, 2025, at The Rise Golf Course** and serves as a key fundraising initiative for the continued success of our youth hockey programs in the Greater Vernon area.

Minor hockey provides much more than just the opportunity to play a sport; it teaches important life skills such as teamwork, discipline, leadership, and resilience. The kids who participate develop lasting memories and grow within a community that supports them. However, as with any thriving sports program, the costs associated with maintaining and upgrading equipment and apparel, such as jerseys, gear, and other necessities, are significant.

We are reaching out to invite you to become a sponsor for this exciting event. Your sponsorship will directly support the costs associated with running our hockey programs, ensuring that we can continue providing our athletes with top-quality equipment and apparel.

The information below will provide you with more information on sponsorship levels. For inquiries please contact us at **golf@gvmha.com** or call GVMHA at **250-542-0754**. Alternatively, please visit our website at **<https://app.eventcaddy.com/events/gvmha-annual-golf-tournament>**

Thank you for considering supporting the next generation of hockey players. Together, we can provide the resources needed to help our athletes excel and foster a strong, vibrant hockey community.

EVENT BACKGROUND

The Greater Vernon Minor Hockey Association is excited to announce the first annual GVMHA Golf Tournament: **Golfing for the Game, Supporting Hockey, One Hole at a Time**. This event is set to take place on May 23rd, 2025, at The Rise golf course and will serve as a cornerstone in our ongoing commitment to fostering the growth, development, and success of young athletes in the Greater Vernon area.

Minor hockey provides much more than just the opportunity to play a sport; it instills values of teamwork, discipline, leadership, and resilience. For the kids who participate, it is an avenue for them to build lifelong skills and memories while contributing to the spirit of community that defines Vernon. However, as with any thriving youth program, financial support is critical to ensuring every child—regardless of their background—has the opportunity to lace up their skates and hit the ice.

WELCOMING STATEMENT

This tournament is more than just a fundraiser—it's a celebration of our youth and the collective effort to support their growth both on and off the ice. We invite all community members, businesses, and supporters of youth development to join us in making a tangible difference. By participating in the tournament or supporting through sponsorship, you are helping to create an inclusive and empowering environment where young athletes can thrive.

What will the funds support?

Funds raised through the Greater Vernon Minor Hockey Association Golf Tournament will directly support the growth and development of our players. Your generous contributions will help us achieve the following:

- **Jersey Replacements:** As our players continue to grow, so does the need for new, high-quality gear. Donations will help replace worn-out jerseys across all teams, ensuring that every player has access to professional, durable jerseys that reflect the pride and commitment of our association.
- **Goaltending Development:** A key focus of this fundraising is supporting our goaltenders. Funds will go towards upgrading essential goaltender equipment, including leg pads, chest protectors, blockers, trappers, and accessories like helmet dangles and knee pads. We will also invest in goalie-specific coaching programs to ensure these athletes receive the best possible training.

Your support ensures that all our players have the resources they need to succeed, and we sincerely appreciate your contribution to the continued development of our hockey community!
